**Vulnerable Populations in the Juvenile Justice System:  
A Research and Policy Conference**

November 14, 2008, 8:30am-3:30pm

Princeton University

On November 14th, 2008, *The Future of Children* will present a conference, “Vulnerable Populations in the Juvenile Justice System: A Research & Policy Conference” at Princeton University, Princeton, NJ.

This day-long symposium, co-sponsored by Princeton's Woodrow Wilson School and the Association for Children of New Jersey, is being held in conjunction with the October, 2008 release of a *Future of Children* volume on juvenile justice policy.
