

*The Future of Children* now has webcasts featuring summaries of the research found in many of our volumes and policy briefs. Visit [www.futureofchildren.org](http://www.futureofchildren.org) to view these half hour presentations on Poverty, Marriage, Social Mobility, Childhood Obesity and School Readiness. We hope to make these a regular feature for all of our upcoming volumes.

For reading on these topics, go to:

The Next Generation of Antipoverty Policies

Marriage and Child Wellbeing

Opportunity in America

Childhood Obesity

School Readiness: Closing Racial and Ethnic Gaps

The Future of Children: A Publication of [The Woodrow Wilson School of Public and International Affairs](#) at [Princeton University](#) and [The Brookings Institution](#).
