On November 13th, 2009, *The Future of Children* will present a conference, “Preserving Child Maltreatment Prevention During a Time of Economic Crisis: A Research & Policy Conference” at Princeton University, Princeton, NJ. This day-long symposium, co-sponsored by Princeton's Woodrow Wilson School and the Association for Children of New Jersey, is being held in conjunction with the October 1, 2009 release of a *Future of Children* volume on preventing child maltreatment. Speakers include leading researchers who contributed to the volume and policy makers and practitioners working in the field on this important issue.
